2020 – 2023 | Kanpur, India

SENIOR SECONDARY SCHOOL,

J S M Public School

2019 – 2020 | Fatehgarh, India

SECONDARY SCHOOL,

J S M Public School

2017 – 2018 | Fatehgarh, India

### 🧠 Skills

Flutter Development • Dart • SQLite • Firebase  
• Api's • State Management • Core Java • Oops  
• Data Structure • Strong Algorithm • Android  
Studio • Postman tool • Problem Solving • Good  
Communication

### 📄 Certificates

#### Flutter Development

Certified by WsCube Tech in flutter development for the duration of 6 months from August 2023 to February 2024.

### 🏗 Projects

#### EXPENSE APP [🔗](#)

**Description-** An app which helps users track and manage their daily expenses. With this app, users can easily log their expenses, categorize them, and monitor their spending habits. It provides a simple and intuitive interface. By maintaining a record of daily expenses, users can gain better insights into their financial health and make informed decisions about their spending habits.

**Used-**

- Using implementation of Rest api.
- Implementation of bloc State management.
- Exception handling was used for the full wallpaper app, which included curated photos.
- Allows users to download and set wallpapers on their mobile phones.

### NOTE APP

**Description-** An amazing Notes app that not only helps you keep track of your daily activities but also allows you to effectively manage your time. This app offers a complete login and signup process, seamlessly integrated with Firebase for secure authentication. Once you're in, you can easily add and delete notes to record your activities throughout the day. With the power of Firebase integration, your notes and activity logs are safely stored and accessible across devices.

**GitHub link-**

[https://github.com/shaikhumair73/firebase\\_note\\_data](https://github.com/shaikhumair73/firebase_note_data)

**Development tool-** Android Studio, Visual Studio and Postman.

**Used-**

- Implementation of complete Firebase authentication.
- Implementation of Bloc state management.
- Developed chat app with proper login and signup authentication

## Declaration

I hereby declare that all information provided above is true to the best of my knowledge belief.
